### **DETAILED ACTION**

The following action is in response to the amendment filed for application 10/602,505 on February 11, 2005.

#### ***Allowable Subject Matter***

Claims 1-13, and 15 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or render obvious the prior art of record fails to show or render obvious the planetary gear carrier as claimed, and particularly including a replacement thrust bearing residing at a location within a carrier housing accessible only through the access opening, having an outside diameter greater than the diameter of the access opening, and including the remaining structures of claims 1, 5, and 9, respectively. The present invention also particularly includes capturing the planet gears intermediate a first mating second and a second mating section in rotatable engagement therein; joining said mating section to assemble the planetary carrier housing, and including the remaining structure and method of claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
